

## **Thurton, Ashby & District W.I.**

### Annual Report - April 2009

This WI has a current membership of 25. We meet on the first Thursday of each month at Thurton and Ashby Village Hall at 7.30pm.

Over the year we have had an interesting variety of speakers and an interesting range of topics at our meetings.

We have pleasure in seeing members from neighbouring WIs who attend our open meetings as well as having the opportunity to visit them. This extends our interests and experiences as well as meeting old friends in relaxing and informative evenings.

Also we enjoy theatre visits, social outings as well as local walks.

Any ladies from our area will be warmly welcomed if they wish to visit us and, perhaps, join our thriving, popular WI.
