Report from 2013:

2013 saw a much improved summer of cricket weather-wise after the wash-out that was 2012. We hope for more of the same down at the meadows this year...

Cricketing-wise, success (in terms of results) was more mixed than in previous years but as a club who's agenda is based across several aspects of the sporting spectrum it was possibly our best year yet. The 2013 season saw several new faces, big improvements to the pitch, and above all lots of enjoyment... and cake! These are surely all the ingredients you need for a successful summer of friendly club cricket. It was also the first full season with our wonderful new pavilion which is something of which we can all be proud. Thanks must go to all those who helped get it off the ground (literally) and Mr Kemp for ensuring the project was finally completed. The fact that opposition clubs comment positively and seem to enjoy visiting us is testament to the time and hard work contributed, and to the spirit and values of the club. And for anyone interested in results, we won more than we lost...

On to 2014... As usual we have a full summer (and spring and autumn!) of Sunday and mid-week fixtures including the Wensum Cup, our 20/20 competition. We also have a club golf day.
