

## 2015 Report on behalf of Thurton, Ashby & District WI.

Our membership has increased during the last year and currently stands at 35.

We have a very good variety of speakers and our activities include members' outings, lunches, afternoon teas, and fundraising events. Some of our members participate in ten-pin bowling and are due to play in the semi-final of the Norfolk competition.

Members also take part in local activities such as quizzes, auto jumble etc.

A craft afternoon has been started on 2nd & 4th Thursday afternoons to which we welcome non members to bring along any type of craft work e.g cross stitch, knitting, painting etc.

On the first Monday of the month members participate in bell ringing alternating at Thurton & Ashby churches.

Meetings are held at the Ashby and Thurton Village Hall on the first Thursday of the month at 7.30pm. Visitors are always welcome.

For any further information contact the secretary Mrs Dolly Howes on 01508 480043.

In conclusion, the Thurton, Ashby & District WI is pleased to report it is progressing very well.
