Message from Inspector Selvarajah

This is my last update as the Inspector responsible for local policing at Costessey, Wymondham, Hethersett & Mulbarton, Poringland and Loddon. I am moving to a new role and become the new Operational Training Manager for Norfolk Constabulary. I am handing over to Acting Inspector Dave Burke who has over 10 years' experience in policing South Norfolk so I leave you in a very capable hands. I wish Dave every success in his new role. We have had a busy month, but have achieved some significant results. We have arrested, charged and remanded a man responsible for 86 incidents of damage to motor vehicles which occurred on the A143 and A146. He awaits Crown Court sentencing. We have made two arrests for the high value arson committed in Poringland and supported our partners with policing and subsequent of caravans and campervans from Whittingham Lane. Crime and Anti- Social Behaviour are down on last month and our social media presence has increased. Please follow us on @SouthNorfPolice and you can see what your local police are doing. It's been a pleasure to serve the communities of South Norfolk for nearly 4 years and I am extremely grateful for the support from our community and partners, thank you.

Message from your Engagement Officer

PC Jim Squires has been moved temporarily to another department, as a result I have been asked to take over some of the reins until his return. I will be happy to help with any enquiries you might have in the mean time.

We will be shortly publishing the new priorities for all of the SNT's and this will be done through the website, the next edition of this newsletter and our social media channels. This is as a result of the recent street surgeries which were held by the Beat Managers, we will keep you up to date with the results.

Thanks

Message from your Beat Manager Pc Steve Banes

This month has seen Loddon Library holding a Police Surgery to gain the local residents thoughts around Policing in and around the area, as well as setting the Priority Issues for the next 3 months. The identified issues are tackle Speeding, ASB and Drugs.

Now that the summer months are upon us, I am hoping that my foot patrols around Loddon and the neighbouring villages are being noticed. I have also recently been conducting Licensing checks and attending several schools and nursery's. If you wish to discuss issues within the community then please contact myself via email
