

Section 1 – Annual Governance Statement 2022/23

Item 4. We provided proper opportunity during the year for the exercise of electors right in accordance with the requirements of the Accounts and Audit Regulations.

Due to administration error the Council failed to display the notice of Exercise of Electors Rights and Annual Governance and Accountability Return(AGAR) 2021-22 on the parish council website. The notice and AGAR were however displayed on the village noticeboards.
