CP and JG had attended a meeting in December with members of neighbouring councils. Correspondence will be sent to South Norfolk's Street Scene Inspector with regards to the diversions put in place, when the need arises. A FOI request has been put in with Norfolk Police for accident figures. This is not held by Norfolk County Council. Consensus is the speed limit should drop by 10 mph along the A146. Suffolk County Council have addressed speed through villages on the A140. Discussion around parishes using Community Infrastructure Levy for speed reduction. Traffic Island in Thurton needs to be increased in

size to make it safer to use. Rumble strips or chevrons could be used to slow traffic entering Thurton. Petition to be available on the NCC website. Next meeting scheduled for 16<sup>th</sup> January 2024.

14. Emergency Plan

This has now been delivered around the village. 30 properties have shown an interest in becoming involved. Those that have not responded councillors will contact. MR and HR will oversee the emergency group 'Whats App'. Chairman would like to see the plan up and running by April 2024.

15. Report from representative of Village Hall Management Committee.

CP advised that JG will be joining the village hall committee as a representative.

The small room and the hallway have now been decorated. An update on the land registration shows the village hall is the registered owners. It has the 'Top level' registration, known as title absolute. Have been given possessory title which is ok but not perfect. Now looking into how you can get absolute. It all fails they will have a 12 years wait and then get absolute. This means trustees can now reclaim the land which belongs to them.

The Burns night will not be going ahead this year. Community café resumes on the 11<sup>th</sup> March. After this the next scheduled date will be the 15<sup>th</sup> April. Going forward it will be held on the 2<sup>nd</sup> Monday of the month.
